JBIC IG Partners

Establishment of Russia-Japan Investment Fund (RJIF)

We are pleased to announce the completion of (1) establishment of Russia-Japan Investment Fund (RJIF), on which JBIC IG Partners provides counsel, and (2) agreement of joint investment framework with Russian Direct Investment Fund (RDIF), sovereign wealth fund of Russia.

This joint investment framework allows RJIF and RDIF together to invest up to \$1 billion for the joint investments in various Russian companies and projects in which Japanese companies develop business alliances through equity participation etc.

Under this joint investment framework, we develop business opportunities in Russia and aims to create long-term and sustainable value for investors and industries.
